**To Whom It May Concern**

I am writing to express our profound appreciation for the services provided by Vocal Translation Source (SMC-PVT) LTD during the Regional Conference on Export Control Programme for Dual Use Goods – Central Asia, held on 24-25 July 2024, in Marriott Hotel, Islamabad. The conference, organized by the European Union (EU) in collaboration with the Strategic Export Control Division (SECDIV), Ministry of Foreign Affairs, Pakistan and Federal Office for Economic Affairs and Export Control (BAFA), Germany, was a high-profile event requiring a high standard of simultaneous interpretation due to the multilingual nature of the conference.

Vocal Translation Source (SMC-PVT) LTD provided two highly skilled interpreters who delivered outstanding simultaneous interpretation services between English and Russian throughout the event. Their exceptional skill in managing real-time translations significantly enhanced the effectiveness of our discussions and contributed to the seamless flow of the conference. The interpreters were also proficient in utilizing Zoom's interpretation feature, ensuring that remote participants could also receive high-quality interpreted audio without any technical difficulties.

In addition to their interpretation services, the company expertly handled the technical aspects of the event, including arranging and managing state-of-the-art equipment for simultaneous interpretation. The provided equipment functioned flawlessly throughout the event, ensuring uninterrupted communication.

I highly recommend their services and look forward to future opportunities to collaborate with them.

Sincerely,

  
**Hafiz Wasif Mehmood**
